Circular dated 31st January 1950.

To

All Heads of Departments.
All the Treasury Officers.

Subject:—Misclassification in Treasury Accounts under XII. Stationery and Printing and other Hea

No. 558—B. II. It has been brought to the notice of th office that receipts of Stationery and Printing, Public Healt Jail and other service Departments which are finally to taken as reduction of expenditure are classified by t Treasuries as final receipts of the Departments. This wrong in principle. They are to be rightly taken against t corresponding receipt heads in thick type in the cash account The result of such a misclassification on the part of t Treasuries has been to inflate figures under the Department Revenue Receipt Heads giving rise to much avoidat correspondence between the Audit Office and the receivi Departments and verification of chellans and schedul particularly at the time of the Revised Budget Estimates.

With a view to prevent such misclassifications a consequential unnecessary correspondence in future, t Treasuries are instructed to insist on all details required f a correct classification of the receipts and classify und relevant heads in the cash account. Receipts which are to taken as reduction of expenditure in the books of the Au Office must without fail be taken against the heads in thi type under the Departmental receipt heads in the Ca Account.

To quote an instance, sale proceeds of Vaccine Lymp should be classified as "XVIII. Public Health Sale Glycerine Vaccine" and not "XVII. Public Health Sale Vaccine" and the same will be classified in this Office "22 Public Health, 3. Vaccine Institute.

Deduct Sale proceeds of Glycerine Vaccine Lymph."

A similar procedure will have to be followed in respect receipts pertaining to Stationery and Printing, Jail and oth Departments also.

Instructions conveyed in this Circular are to be strict adhered to by the Treasuries with immediate effect. Hea of Departments may bring any lapse on the part of t Treasuries observed in this regard to the notice of this offi for taking suitable further action to remedy such irregularities in consultation with the Revenue Commissioner.
